TABLE OF CONTENTS

- I. Ethical Issues
- II. Liability Issues
- III. Open Meetings Act - With sweeping changes by HB 397
- IV. Open Records Act – With moderate changes by HB 397

I. ETHICAL ISSUES

- Notwithstanding any provisions of law to the contrary, each member of all boards, commissions, and authorities created by general statute shall:
 - (1) Uphold the Constitution, laws, and regulations of the United States, the State of Georgia, and all governments therein and never be a party to their evasion;
 - (2) Never discriminate by the dispensing of special favors or privileges to anyone, whether or not for remuneration;
 - (3) Not engage in any business with the government, either directly or indirectly, which is inconsistent with the conscientious performance of his governmental duties;
 - (4) Never use any information coming to him confidentially in the performance of governmental duties as a means for making private profit;
 - (5) Expose corruption wherever discovered;

I. ETHICAL ISSUES (cont.)

- (6) Never solicit, accept, or agree to accept gifts, loans, gratuities, discounts, favors, hospitality, or services from any person, association, or corporation under circumstances from which it could reasonably be inferred that a major purpose of the donor is to influence the performance of the member's official duties;
- (7) Never accept any economic opportunity under circumstances where he knows or should know that there is a substantial possibility that the opportunity is being afforded him with intent to influence his conduct in the performance of his official duties;
- (8) Never engage in other conduct which is unbecoming to a member or which constitutes a breach of public trust; and
- (9) Never take any official action with regard to any matter under circumstances in which he knows or should know that he has a direct or indirect monetary interest in the subject matter of such matter or in the outcome of such official action.**

O.C.G.A. § 45-10-3 (emphasis added)

I. ETHICAL ISSUES (cont.)

- The provisions of paragraph (9) of Code Section 45-10-3 and of paragraph (1) of this subsection shall be deemed to have been complied with and any such authority may purchase from, sell to, borrow from, loan to, contract with, or otherwise deal with any director or member or any organization or person with which any director or member of said authority is in any way interested or involved, provided (1) that any interest or involvement by such director or member is disclosed in advance to the directors or members of the authority and is recorded in the minutes of the authority, **(2) that any interest or involvement by such director with a value in excess of \$200.00 per calendar quarter is published by the authority one time in the legal organ in which notices of sheriffs' sales are published in each county affected by such interest, at least 30 days in advance of consummating such transaction,** (3) that no director having a substantial interest or involvement may be present at that portion of an authority meeting during which discussion of any matter is conducted involving any such organization or person, and (4) that no director having a substantial interest or involvement may participate in any decision of the authority relating to any matter involving such organization or person. As used in this subsection, a 'substantial interest or involvement' means any interest or involvement which reasonably may be expected to result in a direct financial benefit to such director or member as determined by the authority, which determination shall be final and not subject to review.
- O.C.G.A. 36-62A-1(a)(2); Virtually Identical to O.C.G.A. § 36-62-5(e) **(emphasis added for new language effective July 1, 2010 pursuant to Senate Bill 456.)**

I. ETHICAL ISSUES (cont.)

- The provisions of paragraph (9) of Code Section 45-10-3 . . . shall be deemed to have been complied with and any such authority may purchase from, sell to, borrow from, loan to, contract with, or otherwise deal with any director or member or any organization or person with which any director or member of said authority is in any way interested or involved, provided:
 - ▶ (1) [Under the same numbered subpart, there are two requirements]:
 - that any interest or involvement by such director or member is disclosed in advance to the directors or members of the authority
 - that any interest or involvement is recorded in the minutes of the authority,
 - ▶ (2) **that any interest or involvement by such director with a value in excess of \$200.00 per calendar quarter is published by the authority one time in the legal organ in which notices of sheriffs' sales are published in each county affected by such interest, at least 30 days in advance of consummating such transaction,**
 - ▶ (3) that no director having a substantial interest or involvement may be present at that portion of an authority meeting during which discussion of any matter is conducted involving any such organization or person, and
 - ▶ (4) that no director having a substantial interest or involvement may participate in any decision of the authority relating to any matter involving such organization or person.

O.C.G.A. 36-62A-1(a)(2); Virtually Identical to O.C.G.A. § 36-62-5(e)(1)(B) (emphasis added for new language effective July 1, 2010 pursuant to Senate Bill 456.)

I. ETHICAL ISSUES (cont.)

- As used in the subject conflict of interest statutes, a “substantial interest or involvement” means:
 - ▶ any interest or involvement which reasonably may be expected to result in a direct financial benefit to such director or member as determined by the authority, which determination shall be final and not subject to review.

O.C.G.A. §§ 36-62A-1(a)(2) and 36-62-5(e)(1)(B)
- As a practical matter, however, with the additional language added in 2010, if the monetary amount of the transaction which raises the conflict has a value of \$200 or more for any calendar quarter, there is effectively a “substantial interest or involvement” which triggers the conflicts procedures.

I. ETHICAL ISSUES (cont.)

- **ASK THE QUESTION!**

- ▶ BEFORE the subject matter, resolution, or action is to be discussed, ask whether any member has reason to believe that he or she may have a conflict of interest.
- ▶ Who should ask?
 - Counsel to the Authority;
 - Executive Director or staff; or
 - Chairman, Vice-chair or other members.
- ▶ What question to ask?
 - Counsel and staff need to know enough about the authority's members and project to be able to assist.
 - “Code names” may make ascertaining conflict more difficult; try to give members sufficient information about a prospect so that they can identify possible conflicts.

I. ETHICAL ISSUES (cont.)

- The penalties are set forth in O.C.G.A. § 45-10-4.
- A complaint or formal charge of the violation must be made to the Governor's Office to set review and possibility of penalty into motion.
- Review and hearing of actions of member and authority as a whole.
- Upon a hearing, if the member who participated in the transaction with the authority is found to have had a conflict of interest and the scheme has NOT been followed, that member may be removed from the board at the discretion of the Governor.
- Possible civil actions and loss of immunity; see Section II, below.
- If the actions are egregious enough, criminal liability and civil fines may also follow.

II. LIABILITY ISSUES

- Official Immunity for authority members is premised upon O.C.G.A. §51-1-20, which reads in pertinent part:
 - ▶ A person serving with or without compensation as a member, director, or trustee, or as an officer of the board without compensation, . . .of any local governmental agency, board, authority, or entity shall be immune from civil liability for any act or any omission to act arising out of such service if such person was acting in good faith within the scope of his or her official actions and duties and unless the damage or injury was caused by the willful or wanton misconduct of such person.
- O.C.G.A. § 51-1-20(a)

II. LIABILITY ISSUES (cont.)

- Official Immunity has been interpreted under this Code section to provide immunity from suit and damages so long as the alleged actions were taken in good faith and were not wanton and willful in nature. See *Atlanta Airmotive, Inc. v. Royal*, 214 Ga. App. 760, 449 S.E.2d 315 (1994).
- Official Immunity can be lost, however; one of the main ways that this type of immunity can be lost is through the existence of a conflict of interest that was not revealed and sanctified by the various procedures outlined above.
- Official Immunity cannot be lost for failure to follow the Georgia Open Meetings Act. See *Atlanta Airmotive, Inc. v. Royal*, 214 Ga. App. 760, 449 S.E.2d 315 (1994). (However, there are other penalties for such a failure. In this regard, see section III, below.)
- Official Immunity cannot be lost because a member negligently performs his/her duties on an authority. See *Dyches v. McCorkle*, 212 Ga. App. 209, 441 S.E.2d 518 (1994).

II. LIABILITY ISSUES (cont.)

- What Types of Liability Situations Can Authorities Expect to Encounter?
 - ▶ Bonded Debt or Revenue Bonds.
 - ▶ General Liability for Personal Injury, Wrongful Death, or Damage to Property.
 - ▶ Legal Compliance with State Laws (such as Open Meetings violations)
 - ▶ Condemnation of Property.
 - ▶ Many Other Types of Liability Yet to Be Dreamed up by Innovative Lawyers.

II. LIABILITY ISSUES (cont'd)

- What Do Authorities Need to Do to Protect Themselves from Liability?
 - ▶ Obtain Commercial General Liability (“CGL”) Insurance. This type of insurance protects against damages to person and property that may occur in the course of the authority carrying out of its business.
 - ▶ Obtain Automobile Liability Insurance. Typically, CGL policies exclude damages that arise out of the operation, use, or collision involving the use of an automobile. Therefore, either the authority should maintain a rider to its CGL policy adding automobile liability insurance or require that employees carry adequate insurance to cover any liability that may arise; this is true even if employees typically use authority vehicles.

II. LIABILITY ISSUES (cont'd)

- What Do Authorities Need to Do to Protect Themselves from Liability? (continued)
 - ▶ Obtain Public Officials/Directors Liability Insurance.
 - Protects and insulates members AND staff from having to pay damages as a result of their actions on behalf of the authority.
 - Most D&O policies EXCLUDE and DO NOT COVER actions of members or staff that violate any law, including the conflicts of interests provisions of O.C.G.A. §§ 45-10-3 and 50-8-60 et seq., Open Meetings or Open Records statutes, as well as other general and or criminal statutes.
 - D&O insurance provides one very important protection above Official Immunity: The insurer will provide and/or pay for attorney representation of the authority, staff and/or board member in connection with any alleged liability.
 - Many insurers require that the agency also maintain a CGL policy.

III. OPEN MEETINGS ACT

- A “meeting” is defined as:
 - ▶ the gathering of a quorum of the members of the governing body of an agency at which any official business policy, or public matter of the agency is formulated, presented, discussed or voted upon; or
 - ▶ the gathering of quorum of any committee of the members of the governing body of an agency or a quorum of any committee created by the governing body at which any official business, policy, or public matter of the committee is formulated, presented, discussed or voted upon.
- O.C.G.A. § 50-14-1(a)(3)(A)(i) & (ii) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT

- The definition of a “meeting” does NOT include:
 - ▶ (i) the gathering of a quorum of the members of the governing body or committee for the purpose of making inspections of physical facilities or property under the jurisdiction of such agency at which no other official business of the agency is to be discussed or official action is to be taken; or
 - ▶ (ii) the gathering of a quorum of the members of a governing body or committee for the purpose of attending state-wide, multijurisdictional, or regional meetings to participate in seminars or courses of training on matters related to the purpose of the agency or to receive or discuss information on matters related to the purpose of the agency at which no official action is to be taken by the members;
 - ▶ (iii) the gathering of a quorum of the members of a governing body or committee for the purpose of meeting with officials of the legislative or executive branches of the state or federal government at state or federal offices and at which no official action is to be taken by the members;
- O.C.G.A. § 50-14-1(a)(3)(B)(i), (ii) & (iii) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT

- The definition of a “meeting” does NOT include (continued):
 - ▶ (iv) the gathering of a quorum of the members of a governing body of an agency for the purpose of traveling to a meeting or gathering as otherwise authorized by this subsection so long as no official business, policy, or public matter is formulated, presented, discussed, or voted upon by the quorum; or
 - ▶ (v) the gathering of a quorum of the members of a governing body of an agency at social, ceremonial, civic, or religious events so long as no official business, policy, or public matter is formulated, presented, discussed, or voted upon by the quorum.
 - ▶ BUT... these listed exclusions from the definition of the term 'meeting' do not apply if it is shown that the primary purpose of the gathering or gatherings is to evade or avoid the requirements for conducting a meeting while discussing or conducting official business.
- O.C.G.A. § 50-14-1(a)(3)(B)(iv) & (v) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- An “agency” under the OMA is defined to include “every city, county, regional, or other authority established pursuant to the laws of this state” O.C.G.A. § 50- 14-1(a)(1)(D).
 - ▶ There are numerous other entities included in the definition of covered agencies, including a “nonprofit organization to which there is a direct allocation of tax funds made by the governing body of any agency as defined in this paragraph which constitutes more than 33 1/3 percent of the funds from all sources of such organization.” O.C.G.A. § 50-14-1(a)(E).
 - ▶ Some authorities throughout the state contract with and utilize the services of non-profit entities, such as chambers of commerce, or other local non-profits to assist in their activities. Those authorities and non-profit entities should be aware of the possible inclusion of the non-profit entities under the OMA and assess whether the criteria are met as defined above.

III. OPEN MEETINGS ACT (Cont.)

- **General Rules:**
 - ▶ All Meetings of a Development Authority Must be Open to the Public.
 - ▶ All meetings must have pre-posted agendas.
 - ▶ Minutes of Meetings Must Be Maintained.
 - ▶ NEW- all votes at any meeting must be taken in public AND minutes must record the names of persons voting against a proposal or abstaining when a vote is take by roll-call and not unanimous. See Cardinale v. City of Atlanta, A11A0217 (March 22, 2012).

O.C.G.A. § 50-14-1(b)(1) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- For the first time, we now have a statutory definition of what the ORA used to refer to as a “Closed Meeting,” but what is now referred to as an “Executive Session”:
 - ▶ “Executive session” means a portion of a meeting lawfully closed to the public.
 - ▶ In order for an authority to enter into and have an executive session, the subject matter of the item(s) to be discussed must be solely within one of the statutory exceptions provided.

O.C.G.A. § 50- 14-1(a)(2) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- For Development Authorities, the most common statutory exceptions to the requirement that all meetings be open to the public are:
 - ▶ Matters encompassed by the attorney-client privilege
 - ▶ Matters involving Real Estate (big change from previous law)
 - ▶ Deliberations Regarding Employees, Agents, or Members
 - ▶ Incidental conversation unrelated to the business of the agency
 - ▶ E-mail communication among the members of an agency, provided that such emails must be disclosed under the Open Records Act.

III. OPEN MEETINGS ACT (Cont.)

- Matters encompassed by the attorney-client privilege
 - ▶ Portions of a meeting during which the Authority is to “consult and meet with legal counsel pertaining to pending or potential litigation, settlement, claims, administrative proceedings, or other judicial actions brought or to be brought by or against the agency or any officer or employee or in which the agency or any officer or employee may be directly involved,” may be closed to the public. O.C.G.A. § 50-14-2(1).

III. OPEN MEETINGS ACT (Cont.)

- Matters encompassed by the attorney-client privilege
 - ▶ A meeting cannot be closed to discuss whether or not to close a meeting, even when an attorney is being consulted. O.C.G.A. § 50-14-2(1).
 - ▶ The attorney must be the authority's attorney, retained to represent the authority, and not the attorney of a prospect or other entity; otherwise, the attorney-client privilege does not exist and the meeting cannot be closed.
 - ▶ NEW – previously, the law did not require minutes to be kept during an executive session of an authority to consult with counsel under this exception; now, however, the law has been changed to require minutes be kept during attorney-client privileged executive sessions:
 - In the case of executive sessions where matters subject to the attorney-client privilege are discussed, the fact that an attorney-client discussion occurred and its subject shall be identified, but the substance of the discussion need not be recorded and shall not be identified in the minutes. O.C.G.A. § 50-14-1(e)(1)(C).
 - ▶ Our courts have previously allowed voting during a closed session on recommendations of counsel with regard to pending or potential litigation. See *Schoen v. Cherokee County*, 242 Ga. App. 501, 530 S.E.2d 226 (2000). However, **NOW**, based on the current statute, ALL votes must be made in open meeting. O.C.G.A. § 50-14-1(b)(1) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- Matters encompassed by the attorney-client privilege
 - ▶ A meeting may not be closed to discuss potential litigation under the attorney-client privilege UNLESS the authority can show a realistic and tangible threat of legal action against it or its officer or employee (i.e., a threat that goes beyond a mere fear or suspicion of being sued. A realistic and tangible threat of litigation is one that can be characterized with reference to objective factors that may include, but are not limited to, the following:
 - a formal demand letter or some comparable writing that presents the party's claim and manifests a solemn intent to sue;
 - previous or pre-existing litigation between the parties or proof of ongoing litigation concerning similar claims; or
 - proof that a party has both retained counsel with respect to the claim at issue and has expressed an intent to sue.

III. OPEN MEETINGS ACT (Cont.)

- Matters involving Real Estate
 - ▶ Previously under the OMA, only matters related to the ACQUISITION of real estate were allowed to be discussed in executive session.
 - ▶ **NOW**, meetings may be closed under the OMA relating to real estate if they are:
 - Meetings when any agency is discussing or voting to:
 - (A) Authorize the settlement of any matter which may be properly discussed in executive session under the attorney-client exception;
 - (B) Authorize negotiations to purchase, dispose of, or lease property;
 - (C) Authorize the ordering of an appraisal related to the acquisition or disposal of real estate;
 - (D) Enter into a contract to purchase, dispose of, or lease property subject to approval in a subsequent public vote; or
 - (E) Enter into an option to purchase, dispose of, or lease real estate subject to approval in subsequent public vote.

O.C.G.A. § 50-14-3(b)(1) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- Matters Relating to Real Estate – New requirement.
 - ▶ HB 397 requires a strange twist with regard to voting on matters relating to real estate. The new statute states:
 - No vote in executive session to acquire, dispose of, or lease real estate, or to settle litigation, claims, or administrative proceedings, shall be binding on an agency until subsequent vote is taken in an open meeting where the identity of the property and the terms of the acquisition, disposal, or lease are disclosed before the vote or where the parties and principal settlement terms are disclosed before the vote. O.C.G.A. § 50-14-3(b)(1) (as signed by Governor on April 17, 2012)
 - This is in contravention to a recent court ruling that an agency can vote in closed session on matters encompassed within the real estate exception. See Johnson v. Board of Commissioners of Bibb County, A1 0A0398, (2010).
 - When is the “subsequent vote” required to be made? Before entering into a contract? Closing? After Closing? Will others parties to contracts for real estate conveyance be comfortable to close unless the governmental agency has voted in open session to approved the details of the deal?

III. OPEN MEETINGS ACT (Cont.)

- **Deliberations Regarding Employees, Agents, or Members**
 - ▶ Meetings may be closed under the OMA if they are:
 - Meetings when discussing or deliberating upon the appointment, employment, compensation, hiring, disciplinary action or dismissal, or periodic evaluation or rating of a public officer or employee or interviewing applicants for the position of the executive head of an agency (EXCEPT, if interviews are conducted in executive session, 14 day delay is required after release of applicant information. See O.C.G.A. § 50-18-72(b)(11).
 - This exception does not apply to the receipt of evidence or when hearing argument on personnel matters, including whether to impose disciplinary action or dismiss a public officer or employee or when considering or discussing matters of policy regarding the employment or hiring practices of the agency. (Significant change from pre- HB 397 rule)
 - As with all matters discussed in executive sessions under HB 397, the vote on any matter covered by this paragraph must be taken in public and minutes of the meeting as provided in this chapter shall be made available. Meetings by an agency to discuss or take action on the filling of a vacancy in the membership of the agency itself must at all times be open to the public.

O.C.G.A. § 50-14-3(b)(2) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

How to Comply with the OMA When an Agency Intends to Enter into Executive Session Pursuant to a Relevant Exception.

- The Authority must discuss in open session whether the meeting is to be closed to the public and the reason for the closure. It is acceptable to have the authority's counsel state the reason and give an opinion that closure is appropriate for each session.
- The meeting may then enter executive session; minutes must be taken of the executive session.
- The meeting must be reopened after discussions are over in order for a vote to be taken on the issue.
- After reopening the meeting, a vote may be taken on the matter discussed in executive session, the motion containing sufficient information to place the public on notice of the nature of action, even if identifying information is left out.
- After the meeting is concluded the chairman or other member of the authority presiding over the meeting (or all members, if the Authority so decides by policy) must execute an affidavit regarding the reasons for the executive session and certifying that only those matters within the stated exception were discussed during the executive session. O.C.G.A. § 50-14-4(b)(1). The affidavit must be filed with the official minutes. See O.C.G.A. § 50-14-4(b).

III. OPEN MEETINGS ACT (Cont.)

How to Comply with the OMA When an Agency Intends to Enter into Executive Session Pursuant to a Relevant Exception (continued).

- **NEW GUIDANCE:** “In the event that one or more persons in an executive session initiates a discussion that is not authorized pursuant to Code Section 50-14-3, the presiding officer shall immediately rule the discussion out of order and all present shall cease the questioned conversation. If one or more persons continue or attempt to continue the discussion after being ruled out of order, the presiding officer shall immediately adjourn the executive session. The meeting may then enter executive session; minutes must be taken of the executive session.”

O.C.G.A. § 50-14-4(b)(2) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- **Notice to the Public of Meetings of the Authority**
 - ▶ Every agency subject to this chapter shall prescribe the time, place, and dates of regular meetings of the agency. Such information shall be available to the general public and a notice containing such information shall be posted at least one week in advance and maintained in a conspicuous place available to the public at the regular place of an agency or committee meeting subject to this chapter as well as on the agency's website, if any. Meetings shall be held in accordance with a regular schedule, but nothing in this subsection shall preclude an agency from canceling or postponing any regularly scheduled meeting.
 - ▶ For any meeting, other than a regularly scheduled meeting of the agency for which notice has already been provided pursuant to this chapter, written or oral notice shall be given at least 24 hours in advance of the meeting to the legal organ in which notices of sheriff's sales are published in the county where regular meetings are held or at the option of the agency to a newspaper having a general circulation in such county at least equal to that of the legal organ; provided, however, that in counties where the legal organ is published less often than four times weekly, sufficient notice shall be the posting of a written notice for at least 24 hours at the place of regular meetings and, upon written request from any local broadcast or print media outlet whose place of business and physical facilities are located in the county, notice by telephone, facsimile, or email to that requesting media outlet at least 24 hours in advance of the called meeting.

O.C.G.A. § 50-14-1(d)(1) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- **Notice to the Public of Meetings of the Authority**
 - ▶ When special circumstances occur and are so declared by an agency, that agency may hold a meeting with less than 24 hours' notice upon giving such notice of the meeting and subjects expected to be considered at the meeting as is reasonable under the circumstances including notice to such county legal organ or a newspaper having a general circulation in the county at least equal to that of the legal organ, in which event the reason for holding the meeting within 24 hours and the nature of the notice shall be recorded in the minutes.

O.C.G.A. § 50-14-1(d)(3)

III. OPEN MEETINGS ACT (Cont.)

- **Telephonic Participation of Members in Meetings of the Authority**
 - ▶ Previously, the law only allowed such telephonic participation only for state-wide authorities with no exception for Development Authorities.
 - ▶ Under HB 397, under special conditions, members of an Authority can participate by telephone:
 - Under circumstances necessitated by emergency conditions involving public safety or the preservation of property or public services, agencies or committees thereof not otherwise permitted ... to conduct meetings by teleconference may meet by means of teleconference so long as the notice required ... is provided and means are afforded for the public to have simultaneous access to the teleconference meeting. On any other occasion of the meeting of an agency or committee thereof, and so long as a quorum is present in person, a member may participate by teleconference if necessary due to reasons of health or absence from the jurisdiction so long as the other requirements of this chapter are met. Absent emergency conditions or the written opinion of a physician or other health professional that reasons of health prevent a member's physical presence, no member shall participate by teleconference pursuant to this subsection more than twice in one calendar year.

O.C.G.A. § 50-14-1(g) (as signed by Governor on April 17, 2012)

III. OPEN MEETINGS ACT (Cont.)

- Penalties for Violations of the OMA
 - ▶ The action taken may be voided or nullified.
 - ▶ Both members and the authority may be subject to civil suit and civil fines (\$1,000 for initial violations; \$2,500 for additional violations) as well as actions filed by the Attorney General to enforce the OMA. See O.C.G.A. § 50-14-5(a).
 - ▶ Attorney's fees of the party bringing the action to show or rectify the violation of the OMA may be assessed against the authority if the court finds the authority's actions in not complying with the OMA were without "substantial justification." O.C.G.A. § 50-14-5(b).
 - ▶ If the affidavit required by O.C.G.A. is falsified and the falsification is more than an oversight or mistake, but is intentional and egregious, the person signing the affidavit may be prosecuted for the crime of "false swearing," which is a felony punishable by imprisonment for not less than one or more than five years or a fine of not more than \$5,000.00. O.C.G.A. § 16-10-71.

IV. OPEN RECORDS ACT

- “Records” are defined as:
 - ▶ (2) 'Public record' means 'public record' shall mean all documents, papers, letters, maps, books, tapes, photographs, computer based or generated information, data, data fields, or similar material prepared and maintained or received by an agency or by a private person or entity in the performance of a service or function for or on behalf of an agency or when such documents have been transferred to a private person or entity by an agency for storage or future governmental use.
- O.C.G.A. § 50-18-70(a)(2)

IV. OPEN RECORDS ACT (cont.)

- What Must an Authority Do in Response to an Open Records Request?
 - ▶ Provide for review and reproduction by the requesting entity all records in the possession of the authority or its agents (including its attorneys) and not subject to an exception from provision.
 - ▶ A request is NOT required to be made in writing, and a request must be complied with, even if it is only an oral request, so long as the request does not contain unreasonable requirements (i.e., provision of voluminous records in a very limited time, immediately, at no cost). See Howard v. Sumter Free Press, Inc., 272 Ga. 521, 531 S.E.2d 698 (2000).
 - ▶ Oral requests are specifically not enforceable under the HB 397 revisions.
 - ▶ An authority is NOT required to sift through its records involving a specific subject in order to locate the information sought by the requesting entity. “[A] thorough reading of the ORA makes it clear that the legislature did not intend for a custodian of public records to comb through his files in search of documents sought by a public citizen. To the contrary, all that is required of a public records custodian is that he provide reasonable access to the files that are sought.” Felker v. Lukemire, 267 Ga. 296, 299, 477 S.E.2d 23 (1996). See also O.C.G.A. § 50-18-70(d).
 - ▶ Under HB 397, an agency may designate one person or position to receive all request by running a legal ad to that extent – requests not sent specifically to that person will not begin the running of time to respond until properly sent by the requestor.

IV. OPEN RECORDS ACT (cont.)

- What Must an Authority Do in Response to an Open Records Request?
 - ▶ Provide the requested records for inspection within a reasonable period of time following the request, said period of time not to exceed three (3) business days. O.C.G.A. § 50-18-70(f).
 - ▶ If the records are not subject to an exception and the request asks for the records in electronic form, the records must be provided in electronic form if available in that format. O.C.G.A. § 50-18-70(g). However, an authority is never required to type in, scan, or otherwise convert records in electronic format pursuant to a request in order to comply with the ORA.
 - ▶ The records must be provided for the requesting entity to copy or reproduce; the authority and its staff is not required to actually make the copies, but merely must provide the requested records.

IV. OPEN RECORDS ACT (Cont.)

- Records Relevant to Statutory and Constitutional Development Authorities That Are Excepted from Provision to the Public under the ORA.
 - ▶ “Real estate appraisals, engineering or feasibility estimates, or other records made for or by the state or a local agency relative to the acquisition of real property until such time as the property has been acquired or the proposed transaction has been terminated or abandoned” O.C.G.A. § 50-18-72(a)(10).
